Firefighters from Station 150 were honored last Saturday during an open house for the new luxury rental Townhomes at Lost Canyon.

This weekend the firm managing rentals for the townhomes in Canyon Country will donate \$2,500 to the Firefighters Cancer Support Network's annual "Fight Cancer with Fire" fundraiser.

For more information on the fundraiser, visit <http://www.firefightercancersupport.org>. The townhomes can be found at 18179 W. Terra Verde Place in Santa Clarita.
